DETAILED ACTION

1. Claims 3-26 are allowed. Claims 1 and 2 have been cancelled.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

Applicant's arguments that Jae-Yong does not teach the claimed limitations are persuasive with respect to selecting between two choices of (1) terminating the search procedure or (2) selecting another directory service agent as the current directory service agent and repeating the steps of determining, querying and adding (i.e., continuing the search) as claimed, and thereby it does not teach "selectively one of terminating the search or selecting, from the list of directory service agents another directory service agent as the current directory service agent, and repeating the steps of determining, querying and adding." None of the prior arts of record teach or suggest the claimed limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Paul D. Greeley on 11/17/2004.

4. The application has been amended as follows:

In the claims: Claims 1 and 2 have been cancelled.

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ashok B. Patel whose telephone number is (571) 272-3972. The examiner can normally be reached on 8:00am-5:00pm.
